Description of Problem

Please include a detailed description of the issues, as well as a description of and a copy of any professional studies, citations or reports from government entities, recommended solutions, and any cost information or estimates. If additional space is needed, please attach.

The awning on the existing 400 building has been determined as unsafe and unstable. The snow load during the winter makes the awning a hazard.

Project Category: Roofing

Are any of the above-described issues in buildings or part of buildings that are leased to another entity, including a district sponsored charter school? N

Available Funding Was money to address this issue included in your adopted budget for this fiscal year? **N**

Current unencumbered building renewal fund balance (Fund 690):	\$36,000.00
Current fiscal year building renewal expenditures:	\$0.00
Current balance of unrestricted capital:	\$40,000.00

Please outline any associated insurance coverage.

District insurance will not cover the removal of the awning. The district capital funds are committed to other critical needs and building up enough of a fund to re-roof school buildings.
